BEFORE wearing the BMG “Happy, Healthy, Healed” T-Shirt:

The aura and chakras indicate communicative, social and creative, yet show stress, low energy and dominant masculine energies (overly active and cerebral).

NOTE: Aura and chakra photos are of an independent volunteer at a wellness expo.

JUST 9 MINUTES AFTER putting on the BMG “Happy, Healthy, Healed” T-Shirt:

The aura and chakras indicate spiritual, enlightened, energy sensitive and transcendent. White indicates perfect harmony and balance, lavender shows strong intuition and a deep connection with the Divine.
