Offer YOU...*

Are You Willing?

- ❖ If **YES**, then here is **YOUR OPPORTUNITY!**

Medical Intuitive Sue Singleton and the Energy Of Life® Healing Process Founder Aaron Singleton will reveal what they believe is **one of the biggest secrets yet to be discovered in the temple and tomb art:**

**THE HAND, HEAD AND BODY POSITIONS
ALL HAVE MEANING TO THE INITIATE!**

During the Singletons' prior trips, they realized that scholars have not yet "cracked the code." Aaron and Sue began to document the positions and experiment with their findings.

"We are excited that these powerful, effective energy techniques created many thousands of years ago are very applicable today! This begins a most amazing process of restoring more ancient wisdom back to life!" (A. & S. Singleton).

Some people are already calling this "**Egyptian Reiki**"... but we call it **The Energy Of Life®!**
